

CLOTHING & FOOTWEAR

During the day, children will participate in a variety of experiences and it is important that their clothing and footwear support safe play. Jewellery such as necklaces, bracelets and long or loose earrings (studs are allowed) may cause injuries or can present choking hazards, please remove these before entering our ELC environment. Children feel more confident to participate in play experiences if their clothing and shoes are comfortable and suitable. Closed toe athletic shoes are best for outside play time however enclosed toe sandals are permissible. (Velcro shoes are strongly encouraged as children do not know how to tie shoe laces). Gumboots will also be required to be left at the ELC.

The **Compulsory Uniform** consists of the College polo shirt (short and/or long sleeve) College hat and College Library Bag which can all be used if children transition to the College.

Additional uniform items must be plain navy (no mottos or patterns please). For the cooler days, a plain logo-free navy jumper and navy logo-free track pants can be worn.

The **Optional College branded** items are not compulsory to purchase, but are available for convenience. We strongly recommend this investment if your child is moving on to College at Portside.

By naming your child's clothing, you help us to ensure it can be returned to you and your child. There are lost property boxes in the ELC Foyer.

For information on purchasing uniform, please visit the college uniform page:
<https://www.portside.sa.edu.au/uniform>
